

"All The Way Buzza"

Little Albert Eggplant the kid from cabin six
playin' by the water - got in a real tight fix
He found himself adrift on Leesville Lake without an oar
Capsized his boat and couldn't swim a half a mile from shore
And just before he went down the third time I heard him say
"My only hope's that fellow they call 'All The Way Buzza'"

Now this is only rumor - but I have heard some talk
They say Buzza he stole his job away from Peter Bloch
He may not be as big as Bloch - he may not be as bad
but when Pete saw Bruce come down the road - he knew that he was had
And as Peter Bloch was runnin' out the gate I heard him say
"I hopes I never tangles with that 'All the Way Buzza'"

Buzza he knows the kitchen girls - in fact they're pretty tight
In fact he took them all to town last week on Wednesday night
Unless I miss my guess Buzza he took them out in style
I know they won't forget Buzza for quite a long long while
"Cause while walkin' past the kitchen Thursday morn I heard them say
"Now we know just why they call him 'All the Way Buzza'"

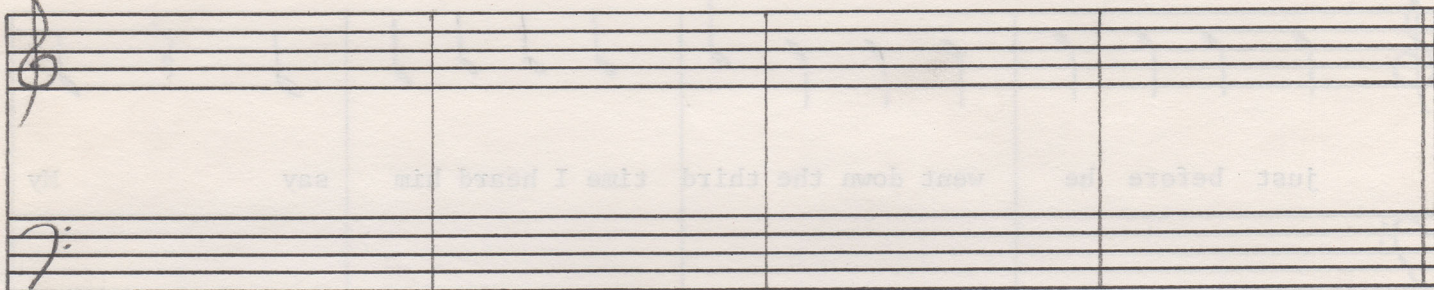

"Go Away Buzza"

Little Bobby Bilby - the kid from cabin one
Playin' by the water - was havin' lots of fun'
Yes Bobby it appeared that he enjoyed himself until
he got right out and dried himself and walked on up the hill
And when I asked him "Bobby why'd ya leave" I heard him say
"I really like the water but I can't stand Bruce Buzza"

You say you're on vacation and ya don't know where to go
I've got just the thing for you that you will like I know
So get your ticket - pack your bags and climb aboard the ship
And you will have two fun filled weeks on a Buzza ego trip
We'll fly at ninety thousand miles when we get under way
And if you don't believe me - ask our pilot - - Bruce Buzza

"Jack Hardman"

Jack Hardman Jack Hardman
Oh where do you roam
Youre always out roamin'
Your wife's on the phone
The lake it has dried up
The horses are dead
Jack Hardman Jack Hardman
Please get out of bed

Jack Hardman Jack Hardman
Oh where do you roam
John Bruno has fainted
Nardozi's gone home
Your daughter is crying
The kids they need fed
Jack Hardman Jack Hardman
Please get out of Bed

Jack Hardman Jack Hardman
Oh where do you roam
Bill Schachter's out writing
The words to a poem
Buzza's on a smoke break
And Braum's all alone
They're driving him crazy
Jack Hardman Jack Hardman come home

Jack Hardman Jack Hardman
Do we need you now
The camp is on crutches
It's touchin' the ground
Come lead us to victory
We know that you can
Jack Hardman Jack Hardman
Come make a stand
