

"Sad Love Stories"

If there was life on Mars I wouldn't feel so all alone
Hello out there is anybody home
What happened to the feeling - - What happened to the time
when I was happy - - When you were mine - - (since then I found that)

CHORUS:

Sad Love Stories make good love songs
Broken hearts and burnin' memories
But I'm tired of wakin' up to empty feelings - - -
Let there be no more cryin' and no more sad songs please

I saw the sun go down and I thought o' you just then
If I took the chance would I have the chance again
It was love in the beginning - - but bitter in the end
And now I watch the sun come risin' once again - - - - (and I know)

REPEAT CHORUS

I'll be lookin' for the day when all is well
When all I have are happy tales to tell
It might not give me love songs but it sure will ease my mind
when I finally leave this feelin' far behind - - (but I'll remember)

REPEAT CHORUS and tag with:

Let there be no more cryin' and no more sad songs for me
