

Second in a Two Man Race

I'd like to get together
I'd like it if we would
But I hear you've got yourself a mean old man
so I guess I'll never do no good
I'd like to make you happy
I'd love you if I could
But I hear you've got yourself a mean old man
so I guess I'll never do no good

I ain't got too much money
Can't say I'm well to do
I've got somethin' but I ain't got much
and it's for nothin' if I ain't got you
But I could treat you like a lady
Like you know he'll never do
Yes and I've got somethin' but I ain't got much
and I've got nothin' if I ain't got you

Chorus:

And it's no help in tellin' me that time will heal the pain
And don't talk sunshine to me 'cause I'm standin' in the rain
There's not too much to say to me just in in second place
in a two man race
In a two man race

I wish I'd never seen you
I wish I didn't care
Life is painful - Life's unkind
and sometimes life's not fair
I'm too hurt to say 'good luck my dear'
and too human not to care
Life is painful - Life's unkind
and sometimes life's not fair

Repeat Chorus
