

Wonderin' Why

I'm all alone
I'm on this cold stone highway ridin' high
I'm watchin' mother nature
paintin' pictures on the sky
Yes and I've been down this road before
it was a long long time ago
Now I'm wonderin' why I'm wonderin'
about a girl I used to know

There was a time when time was plenty
But time has taken it's toll
It's been hard on my body
and even harder on my soul
I should've told her I loved her
a long long time ago
Now I'm wonderin' why I'm wonderin'
about a girl I used to know

There's a lot of things that might have been
that ain't been And that won't change
I could've been a cowboy
smokin' stogies on the range
But for now I read the highway signs
while the sun is sinkin' slow
Wonderin' why I'm wonderin'
about a girl I used to know

I never would admit
how good things might have been
And then I really don't believe
you'll ever come my way again
I know it's true But I go back to you
every time I'm feelin' low
Wonderin' why I'm wonderin' why
about a girl I used to know

So for now I read the highway signs
while the sun is sinkin' slow
And I'm wonderin' why I'm wonderin' why
about a girl I used to know
